3.2. Once they have accessed Gold Machine, there are four potential ways for an Eligible Participant to collect Sweep Coins:

- **(a) Receive Sweep Coins as a free bonus when purchasing Gold Coins.** Each Participant may receive Sweep Coins as a bonus upon the purchase of specifically marked packs of Gold Coins. These giveaways may require actions such as sharing posts or answering game-related questions to be eligible for entry. The amount of Sweep Coins

given away will be stated in the applicable contest post and credited to each contest winner's Customer Account.

Only properly completed and physically mailed postcards will be considered valid.
 - FOR THE AVOIDANCE OF DOUBT, COMBINED REQUESTS SENT VIA PACKAGE OR PARCEL DO NOT MEET THE REQUIREMENTS AND ARE INVALID.

NOTE: A Participant must ensure all information is accurate and complete. If the submission is incomplete or inaccurate, the entry will be void and Sweep Coins will not be credited. The validity of a submission is determined by Sponsor/Promoter in its sole discretion. THE REQUEST MUST ONLY BE MADE BY THE PARTICIPANT AND MUST BE POSTED FROM THE SAME STATE AS THE PARTICIPANT'S VERIFIED RESIDENTIAL ADDRESS. Requests made by any other individual or entity (e.g., commercial sweepstakes services) or posted from a different state will be declared invalid. Tampering with the entry process or Sweepstakes operation, including the use of automated systems or unfair assistance, is prohibited, and entries deemed by Sponsor/Promoter to violate this will be void. In case of disputes regarding the identity of the submitter or compliance with these requirements, the entry will be deemed ineligible unless resolved to Sponsor/Promoter's satisfaction.

3.4. The amount of Sweep Coins a Participant has is displayed in their Customer Account on the website. The Sponsor/Promoter may change the amount of Sweep Coins allocated at any time in its sole discretion.

3.5. Sponsor/Promoter is not responsible for lost, late, incomplete, invalid, or misdirected Sweep Coins requests or allocations.

3.7. Use of automated or other systems to participate, acquire Sweep Coins, or play games is prohibited and will result in disqualification and loss of eligibility.

3.8. Sweep Coins are valid for sixty (60) days from the date a Participant last logged into their Customer Account and will then automatically expire.

If a potential winner cannot be contacted, fails to properly execute and return the affidavit/declaration of eligibility and liability/publicity release within the required time period (if applicable), fails to comply with these Sweeps Rules, or if the prize or prize notification is returned as undeliverable, that potential winner forfeits the prize.

5.5. If a potential winner of a Sweepstakes prize is disqualified for any reason, Sponsor/Promoter may, in its sole discretion, reseed the prize back into the Sweepstakes.

Where a Participant has chosen to redeem prizes for cash, the payment will be made in USD to the financial account or online wallet from which Gold Coins were purchased, or, if not technically possible, to an alternative bank account nominated by the Participant. Sponsor/Promoter reserves the right to require the same payment method for redemption as was used to purchase Gold Coins, or a specific payment method at Sponsor/Promoter's discretion.

6.4. Sponsor/Promoter will only process a prize redemption if the redeemed value is US\$100 or more (i.e., a minimum of 100 eligible Sweep Coins). A Participant's Customer Account must have a balance of at least 100 Sweep Coins before requesting a prize redemption.

In the case of larger verified wins that exceed the applicable daily or monthly limits, Sponsor/Promoter may, in its sole discretion, implement a structured payment plan to distribute the prize over multiple payment periods in a manner that ensures the ongoing sustainability and fairness of the Sweepstakes program.

Sponsor/Promoter also reserves the right to review, void, or refund any transactions if gameplay outcomes, win ratios, or return-to-player ("RTP") performance exceed configured or intended parameters due to malfunction, configuration error, or technical anomaly.

In such cases, Sponsor/Promoter may, at its sole discretion, refund all transactions of a player, reverse the affected gameplay results, or issue equivalent substitute compensation of equal or lesser value.
